

Ganges Nirvana Community Standards

LAZY PEOPLE SKIP TO THE END!!!

Daily Financial Contribution

250 Rs. per day

Your cost of living is: 58 Rs.

This is our lowest estimate based on 8 people living here to share expenses like electricity and wifi, water and cooking oil, paints and tools, cleaning agents and brooms, etc.

Your community food contribution is: 150 Rs.

Food will be sourced from the local market to fetch a fair price, rather than the inflated price from the local carts. Consider also that it can be difficult as someone who doesn't speak the language to negotiate a price.

Still not convinced? Try it! Go out there and see what you can get for 150 Rs. per day ;)

Let us all serve the community: 0 Rs.

Our mattress rental fee is: 50 Rs.

Total is something high than 250 Rs., we subsidize down to 250 Rs.

Eventually we aim to have a 0 Rs. contribution.

None of your daily contribution goes into expanding the community, nor into helping build the projects. This you can do with your mind, heart, hands, and feet, ears and mouth, and all that makes you who you are.

Daily 'Common Sense' work contribution

No measured time

Let's face it, this space needs some cleaning up and some Tender-Love-And-Care.

And you know what else?

- + When you shit, it can leave a stain, so someone needs to clean that.
- + When you come in from outside, you track in dirt, even just sitting on the couch you shed skin, and someone needs to sweep that!

Take care of yourself, take care of your space and the space you share.

Let's all pitch in to help and with this simple action we can watch a community build.

→ Check signs posted around the building, or in the book of published material ←

This list can evolve over time, so add or take away as needed.

If you really don't want to give a helping hand, and you haven't been contributing much lately, then please give an extra financial contribution. We recommend paying double the 'Daily Contribution', or 500 Rupees per day. This will help the community to expand, and will help you to relax and ease your conscience.
